Subject: Anaconda

I reached out to Gov. Sandoval's office, where Pam Robinson confirmed we're on for Feb. 5 at the site. I'll be working on preparations with her, NV's Brad Crowell and Greg Lovato this Friday, as we have a call at 10 am PST. I also reached out to BP's Bob Genovese, who will coordinate with us on the arrangements.

I'll await direction on whom you may invite, including some of the Congressionals, local dignitaries, and the two tribal chairwomen (Walker River Tribe, Yerington Paiute Tribe, both of whom will be here next week for consultation), though am glad to assist as needed.

Kind regards,

Alexis
